**Dear Patient:**

**It is very important for your Behavioral Health Provider to communicate with your Primary Care Physician regarding your health.**

**Please take the attached form to your next Behavioral Health (Psychiatry or Psychology) visit after you have signed so that your records may be released.**

**It is critical that your PCP knows what medications that you are taking in order to prevent adverse medication reactions.**

**Please call if you have questions.**

**Thank you for your time & attention to this important issue.**

**Sincerely,**

**FPMG Quality Improvement Department**
